

2008 Frontier Fair and Carnival

This years Frontier Fair promises to be more fun that ever!

We have new games like the "break a plate" – try to break plates with a softball for prize tickets. Also we'll have a dunk tank you can go in (under 16 will need permission from parent). So have your friends try to dunk you! We'll also have an arcade room with toy grabber machines and little shooting galleries, and our new "shoot the mouse traps with the rubber band guns" game.

Our new prizes this year include a four foot dinosaur, shocking pens and gum (must be 16 or have parent permission), holograms, crude oil slime, tricky nut cans, four inch jumping spiders, switch blade combs, exploding pens, air soft guns (must be 16 or have parent approval), and emergency red flash police lights as well as 80 more prizes.

The highlight of our outdoor events this year will be Country singer, Karen Cruise. Karen hails from Vanderhoof and has a recording contract in Nashville. She has been popular in Germany, the Netherlands and other international countries. She and her band will be on our sound stage from 11:30am to 3:00pm doing four sets of 40 minutes each. Come hear this gifted singer.

Our Fair and Carnival will be on September 6th 2008, from 10:00am to 4:00pm. come early to get the best prizes!
